

## NEGOTIATIONS

PRACTICE AREA

Whether you are about to negotiate your first union contract, or your existing collective bargaining agreement is about to expire, the attorneys at Nemeth Bonnette Brouwer are prepared to stand with you. We bring decades of experience in labor negotiations ranging from single unit facilities to multifacility units with master and local contracts. Regardless of the circumstances, Nemeth Bonnette Brouwer will help you identify and articulate your goals and focus on obtaining those goals at all times. We also recognize that labor/management relationships are long term, and strive to ensure that today's negotiations will benefit our clients well into the future.
