

## RESOLUTION

PRACTICE AREA

At Nemeth Bonnette Brouwer, we believe resolution of employment disputes requires immediate and effective intervention. We consult with clients on a timely basis to review relevant documents and develop strategies for investigation, discipline, termination, severances and releases, and the appropriate language to be used in the event of future litigation.

**We effectively resolve employment disputes through:**

- Arbitration and other alternative dispute resolution techniques
- Conflict resolution
- Diversity training
- Facilitation
- Immediate intervention and consultation
- Mediation
- Review of discipline/termination documentation
- Separation agreements
- Severance agreements
- Waivers and releases
- Workplace investigations (harassment/discrimination)
