

STRIKES

PRACTICE AREA

Nemeth Bonnette Brouwer has represented numerous employers during strikes - both short and long term - in a variety of employment settings, including hospitals, nursing homes and manufacturing facilities. Nemeth Bonnette Brouwer knows the difficulties imposed on employers by strikes, whether there are 20 or 200 employees striking, and prepares and follows a strike strategy plan to cover all contingencies.

Nemeth Bonnette Brouwer can handle all issues surrounding strikes, including:

- Discipline and termination
- Hiring/replacement of workers
- Injunctions
- Negotiations
- Notices and communications on behalf of the employer
- Unfair labor practices filed during a strike
