NEMETH LAW ATTORNEYS NAMED TO 2021 LEADING LAWYERS LIST

Detroit, Michigan
July 28, 2021

Detroit-based management-side labor and employment law firm Nemeth Law, P.C., is pleased to announce that four firm attorneys have been recognized as Leading Lawyers in 2021. This honor is bestowed on fewer than 5% of Michigan's licensed attorneys.

The following Nemeth Law partners have been named Leading Lawyers in their legal category of distinction: Deborah Brouwer in employment management; Terry Bonnette in employment management and labor management; and Susan Koval in employment management.

Patricia Nemeth, of counsel and founder of the firm, has been selected in the areas of alternative dispute resolution (ADR), employment management, and labor management. She is also a member of the Leading Lawyers Advisory Board.

Leading Lawyers, a division of the Law Bulletin Publishing Company, surveys thousands of attorneys statewide to identify lawyers most often recommended by their peers. Lawyers cannot nominate themselves or anyone at their own law firm. Fewer than five percent of all lawyers licensed to practice law in a given state can be named a Leading Lawyer. About Nemeth Law, P.C.

Nemeth Law specializes in employment litigation, traditional labor law, workplace investigations, and management consultation and training for private and public sector employers. The firm also provides arbitration and mediation services. It is the largest woman-owned law firm in Michigan to exclusively represent management in the prevention, resolution and litigation of labor and employment disputes.
