Nemeth Law, P.C., a Detroit-based labor and employment law firm, announces that Patricia Nemeth and Anne Widlak have been selected by a vote of their peers to be included in DBusiness Magazine's list of Top Lawyers, which will be published in the November/December issue.

DBusiness's Top Lawyers is based on a peer-review survey open to all area lawyers. Thousands of votes were cast honoring excellence in 50 practice areas, including Nemeth Law's niche area of labor and employment.

Patricia Nemeth founded Nemeth Law as a solo practitioner in 1992. The firm is now the largest woman-owned law firm in Michigan to exclusively represent management in the prevention, resolution and litigation of labor and employment disputes. Nemeth and Widlak, a partner in the firm, were also among five Nemeth Law attorneys named Michigan Super Lawyers earlier this month. Additionally, Nemeth was named to *The Best Lawyers in America*® 2016 list in August.

"Nemeth Law is honored to add the DBusiness Top Lawyers award to our recent commendations," Nemeth said.
